UNRESOLVED GAP

From shipment problems to verified resolutions.

Illustrative scenario · not a customer testimonial

ParcelCare

PROBLEM

One exception. Multiple disconnected conversations.

SME message → Warehouse count → Receipt / photo → Manager decision

01

Slow investigation

Evidence is scattered.

02

Unclear ownership

The next action is uncertain.

03

Uncertain closure

SMEs keep following up.

ParcelCare

SOLUTION

One shared case.
A clear next action.

Report → **Investigate** → **Review** → **SME decision** → **Verified resolution**

ParcelCare

IMPACT + BUSINESS MODEL

The warehouse pays.
Every connected SME benefits.

B2B SaaS subscription

Per warehouse site, per month
SME collaboration included
Later: integrations + onboarding support

The value to validate

Less staff time spent chasing
Faster, traceable decisions
Clearer communication with SMEs

Paying sites × monthly subscription = recurring revenue

Pricing hypothesis · no measured revenue or time-saving claim

PROPOSED 12-MONTH ROADMAP

Prove value first. Expand next.

MONTHS 1–3

Validate

Interviews + pilot partner
Baseline handling time

MONTHS 4–6

Prove

Pilot feedback + iteration
Resolution time + willingness to pay

MONTHS 7–12

Grow

Paid sites + operator referrals
Targeted demos + partnerships

Measure monthly

Active sites · staff engagement · resolution time · SME confirmation · paid conversion · support effort

Research targets · not achieved traction

ParcelCare

THE OUTCOME + OUR ASK

Less chasing.
Clearer accountability.

BEFORE

Scattered messages
Unclear ownership
Repeated follow-ups

AFTER

One case + visible evidence
Assigned responsibility
Recorded confirmation

Seeking warehouse pilot partners

Validate the workflow. Measure the value.
